## Jumper Medal

Two Jumper Medal classes will be held, to be divided between baby and puddle jumpers, and schooling through high jumpers. To be judged on the rider's equitation style, technical merit, judgement, and execution of an efficient track. The judge will issue a numerical score based on the rider's medal round. One point will be deducted for every second over time allowed (if posted) and four points will be deducted for each knockdown or refusal. At the year-end show the top six in each class will compete in a flat workoff. The points for placings from the year end show will double and be added to the current standings. In the case of a tie, the current standing points will have more weight than the year end points.
